Acts 6:8 – 8:1

Talk reminder

Hard heartedness against God (6:8 -7:53)

- **Israel:** God's deliverers, God's messengers have always been rejected by Israel.
- **Us:** So Israel's own history condemns them, but before we are too hasty and start to feel superior, let us remember our own history condemns us – we have been no better.

A message worth dying for (7:54- 8:1)

- A message of difficult truths we need to hear
- A message which brings life

A surprise (8:1)

- **Persecution leads to church growth:** Stephen's death leads to the scattering of the church, which leads to more people hearing the gospel and so more being saved!
