Week of 2/5/21

**Acts 8:26-40**

1. Philip was engaged on a successful mission in Samaria, but God wanted him elsewhere.

The church leaders appointed him to 'wait on tables', see Acts 6, but what had God called him to be?

He was on the Gaza road alone it seems and he may have felt vulnerable. What does Psalm 18:30 and Isaiah 55:8 & 9 reassure us of?

2. In Exodus 4:11-13 Moses is set a task, what was his response? v13

What is God's response? v14-17

Moses had Aaron, who has God promised us? See Luke 12:11 & 12

3. Can you identify some of the factors involved in the Ethiopian coming to faith? (The stages involved until this man came to believe)

How significant might the events of 1 Kings 10 and 2 Chronicles 9 have been as the Queen of Sheba visits Solomon? If that was the means by which the peoples of Africa learned of God and started to follow Jewish practices, what might that teach us about God's planning and timing?

4. Have you found yourself being asked questions by someone challenged by something prompted in them by God?

What did you say?

If someone asked you why you are a Christian, what of your experience of walking with God would you highlight?

Where is your Gaza road now?

5. In Luke 10 the 72 were sent out to go ahead of Jesus, they had instructions to take nothing, they had limited knowledge and experience, but verse 17 tells us of the response? Where are you able to share, on a regular basis, what God has been doing in the lives and in the places He has taken you and the responses you have had?

Pray for those we meet on our Gaza road and continue to pray as we walk with them.
